Fun Facts & Historic Highlights

1. Streetscape & "The Avenues" Branding

- What started in 2009 as a small beautification pilot has evolved into a full corridor makeover, featuring wide sidewalks, protected bike lanes, curb extensions, green planter boxes, bike racks, and pedestrian-friendly signals. These enhancements have improved safety and boosted foot traffic along the commercial strip.[City-DataRent.com](#)

2. Road Diet: Safer, Slower, Better

- The "road diet" conversion of Ingersoll from four lanes to three (with a center turn lane) cut crashes by 50%, injury crashes by 30%, and vehicle speeds by 10%. It also added over 50 on-street parking spaces and supports more than 200 cyclists daily.[City-Data](#)

3. Historic Streetcar Remnants

- During recent repaving, the city unearthed remnants of a trolley barn and streetcar tracks from Ingersoll Avenue's early 20th-century transit history. The preserved pieces are being donated for historic preservation.[KCCI](#)
